The Staff of Power - gripping mystical adventureBy Julie BoskeThe Staff of Power was a gripping and mystical adventure that brought me into another world. Can't wait until the next installment in this series to wander in the woods with the elves and follow the journey of this extraordinary mage. Looking forward to reading what else D.E. Boske has imagined...0 of 0 people found the following review helpful. The Staff of Power- an exciting adventureBy CustomerThe Staff of Power was full of exciting characters that wanted me to keep reading to find out what happens to them in this marvelous adventure. The end of Book One was very bold and daring. I can't wait to read the continuation in Book Two.....

Darian Brade has made some formidable enemies including a Dark Mage hiding within The Order that will do whatever it takes to pry The Staff of Power from Darian's hands. Preferably, cold dead hands. The mighty green dragon, Morphindinaetus, has not been seen in at least two centuries. Suddenly, he shows up, hot on Darian's trail. He is the young Mage's enemy who wants nothing more than to capture Darian, drain his magic and thus his life force. When Darian gets infected with Dark Magic, he must find the book that will teach him the Dark Arts or die a horrible, painful death. Trust is in short supply and Darian finds himself betrayed by someone close to him. Surrounded by enemies, Darian must try to defeat the dragon and The Order. He has one friend, an elf named Kyler. But when Darian allies himself with a dangerous enemy, will it be too much for the elf? Will Kyler stand with Darian or turn his back on him? For Darian and Kyler, this could be the fiercest battle they've faced yet. And then there was Tyhellip;The Dark Magic that threatens to overwhelm the young Mage will be one of his biggest challenges. Will he be able to master it before it kills him? Darian has used his body and his charm to get what he wanted in the past. But will his sharp wit and sexy smile be enough this time?
